

For Children

We understand that at the end of the school day children need time to play, create, unwind and relax. We hope to meet every child's individual needs and our lovely staff will evaluate the activities on a regular basis to ensure that all children's interests are taken into consideration. We will encourage children to give feedback and suggest ideas for new activities.

For Parents

The safety of children in our care is of paramount importance. A child will only be allowed to go home with a person who has been named in the contact form. If you know that another person will be collecting your child you MUST inform us at the earliest possible opportunity. If an individual who is not known to us arrives to collect a child, we will contact all listed emergency contact numbers for that child to ensure the safety of the child. DBS checks are completed for all staff to ensure they are safe and suitable to work with children. There will always be a member of staff on duty who is First Aid trained. The club adheres to all school rules and policies.

We warmly welcome visitors, by arrangement, so please speak to a member of our staff if you would like to come and see what goes on at How Wood Breakfast & After School Club.
