

# PE at How Wood

October 2016

## AWARD

We are extremely happy and proud to say we have achieved an award for the '**Silver level School Games Mark!**' This is a nationally accredited award which is only given to schools who meet the criteria. The award acknowledges the school for its commitment to and the development of competition, school sport and education!

## CLUBS

The new clubs that have started this year have proved very popular. We have Cheerleading for Y4,5,6 on a Monday after school and for YR,1,2,3 on a Wednesday - watch out for an end of term performance assembly! Mr Mardle's Football fun for KS1 on a Tuesday after school is another popular choice; please do contact the office if you want details of any of the current clubs on offer.

## BASKETBALL

How Wood Basketball team entered a level 2 competition which took place at Oaklands Collage. We were up against some strong school teams but held our own, showing fabulous determination and team work! Well done to you all!

## CROSS COUNTRY

We have already had several Primary school league matches for cross country with the last one for 2016 happening in November. We have been well represented by a team of boys and girls made up from our Year 5 and Year 6 children. Mr Mardle is currently putting children from Y5/Y6 through their paces at lunchtime with his cross country club which is open to anyone who wants to train.

## HALL OF FAME

At the end of last term we took down the hall of fame photos leaving it very bare - so we need your news, achievements and photographs so we can share with everyone what sporting success we have both in and out of school.

Please pass any photos on to me with details of the success or email a copy to [admin@howwood.herts.sch.uk](mailto:admin@howwood.herts.sch.uk) and they will be passed onto me.

Well done How Wood a fabulous start to the year!

Mrs Reed - PE Leader
