#### **Attendance**

I am sure you are aware that The Department for Education has made amendments to school attendance regulations. The amendments make it clear that 'Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances'. Head Teachers no longer have the discretion to allow up to 10 days in a school year for a family holiday or to agree extended leave for parents to visit their country of origin.

You will no doubt understand that as the Head Teacher I have a duty, along with the school Governors, to promote the highest attendance levels possible. The school is set very high attendance targets by the Government; and our attendance data is regularly scrutinised by the Local Authority and Ofsted and is one of the factors by which they measure the success of the school. The academic progress of a child, whatever his/her level of academic ability, will be adversely affected if they miss school. If a child is unwell then they should not come to school, but if, in addition, they have other time off school, then this will definitely have a detrimental effect on their progress. *Please take this into consideration when planning trips in the future* If you believe your circumstances may be exceptional, then please discuss your request with me before making final plans. I will review each request for absence carefully, consulting with the Local Authority's Attendance Improvement Officer where and if necessary, and give you an answer as soon as possible. If you need to make a request for leave, then please download a holiday request form from the school website or school office. We ask that all requests are put in writing using the form at least two weeks prior to any leave.

The overall attendance record of the vast majority of our pupils is very good and I very much appreciate your support in respecting and supporting the school's policy on attendance. The policy can be found on the school's website. Part of our new policy outlines the requirement for all parents to provide a written note or letter explaining their child's absence. Staff will actively be requesting letters and it would be most helpful if parents could send this letter in with their child when they return to school.

May we also remind you that if you need to collect your child from school for any reason, they must be signed out and signed in if returning to school on the same day.
